

FUNDRAISER INFORMATION

Purpose

We all have experienced the importance of fundraising drives for school clubs, sport teams, and civic groups in our own lives, and now wish to make it easier for others to fund their many interests.

The Program

There are two ways to participate in our fundraiser program. (1) Buy the coffee up front and sell it at sporting events, school programs, in the morning car line, etc. (2) Print out the order forms and sell the coffee to organization supporters and then compile the orders onto the single **master order form**.

How to get started

To Get Approved:

Call (864) 582-7900 or email, joey@littleriverroasting.com with...

Organization Name
Billing and Shipping Address
School/Organization Phone
Contact Name and Phone

Your organization comes up with the name for a **decaf blend** and **regular blend**. Both coffees are offered **whole bean or ground**. Such as, Spartanburg High School Blend, or Lions Softball Blend.

How to get your coffee

If you are pre-selling your coffee just compile all the information onto the master order form and fax it to us at (864) 582-7911. Remember, we need 1 week from the time you place your order before it will leave our warehouse and we need to have received payment in full. If you are selling the coffee by the bag, place your order using the master order form as well.
